

## MEDLINE SERIES... THE RELAXED RANGE

The MEDLINE range consists of 4 models from 5.8m to 9m and is our best seller in the ZODIAC range. Ideal for a day at sea with family or friends, for cruising and swimming but also for towed water sports such as skiing, wakeboarding and tubing. Featuring large convivial spaces around a table and wide benches, allowing you to dine and drink in comfort. Medline is the ideal range for lounging and cruising, but still offers great performance with an optimised power-to-weight ratio.
