

BRIG NAVIGATOR 24 - CENTRE CONSOLE HARD TOP

The BRIG Navigator range has been designed and built with adventure in mind. This range slots between the Falcon and Eagle series, a 'cross-over' concept that appeals to those who want to challenge the elements. Its solid construction and seating provides the pinnacle of safety and stability when the Navigator 24 is pushed to the limit. This centre console variant is the very latest in the Navigator range, offering maximum deck space, below deck storage and flexibility for a wide variety of applications.
